June 1, 2011

Dear MHA community:

Time flies! Incredibly, we're moving into the fourth month of the series of workshops on the major documents in the MHA Cooperative Information Package. In order to provide you with as many opportunities as possible to acquire the information you need to be informed shareholders and, by extension, capable board members and officers in the MHA co-op, last month I began another series of workshops, which I call special to distinguish from the workshops on the major, or governing, documents. These special workshops are dedicated exclusively to issues you raise during the "regular" workshops that I can't address because of time constraints but which unquestionably deserve a full hour or two.

The first special workshop was **Serving on the MHA Co-op Board of Directors**. At the request of a number of you, I'm offering it again this month. Also this month, I'm giving the special workshop **Board Elections**. **Serving on the MHA Co-op Board of Directors** explains, in a nutshell, what the board can or can't do. **Board Elections** will give you a clear idea of how you get on the board in the first place, as well as what it takes to be a board member. These two special workshops go hand in hand. I hope you can attend them both.

Serving on the MHA Co-op Board of Directors
Saturday June 25, 2:30-4:30 p.m.

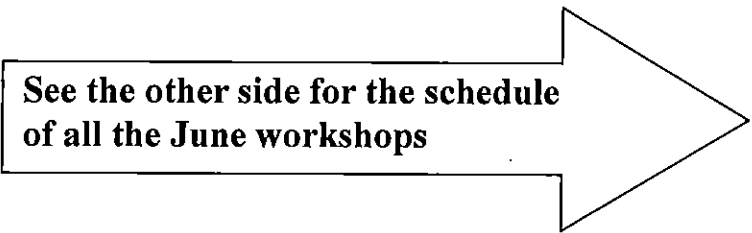

Board Elections
Saturday June 25, 12-2 p.m.

Both workshops will take place on the 2nd floor of 59-61 East 4th Street. Please note they will begin exactly 15 minutes after the indicated start time. So please arrive early to sign in. And don't forget to bring your MHA Cooperative Informative Package with you.
